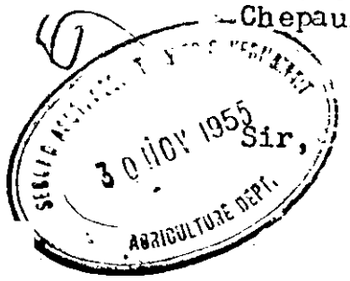
[Despatch Abstract.]

Fisheries - Deep sea fishing operations - Mangalore Division
Dugout canoes - Condemnation and disposal - ordered

Department of Industries and Commerce.

From
The Addl. Director of Industries and Commerce, Chepauk, Madras 5.

To
The Secretary to Government, Agriculture Department, Madras 9.



No. R.C. 6331-Y3/54 dated 23rd Nov., 1955.

Sir,

Sub:- Fisheries - Deep Sea Fishing Boats - Mangalore - division Condemnation and disposal.

The Assistant Director of Fisheries, Mangalore has reported that seven dugout canoes purchased for shark fishing operations in 1944-45 are lying without any use in his division. They have become old due to fair wear and tear and the Assistant Director has recommended for their disposal in public auction. When the deep Sea Fishing operations were closed down in most of the centres in the year 1950, there were ten boats in Mangalore division. These boats were retained with a view of reviving these centres. Now there is no possibility of reviving these centres and these old ~~primitive~~ primitive type of dug out canoes will not be of any use when fishing with mechanised boats is being popularised ~~to~~ in all places. Out of the ten boats, Orders for the disposal of two boats were obtained already in G.O. Ms. 2736 - Agriculture Department dated 31-8-54 and G.O. Ms. No. 247 Agriculture Department dated 29-1-55. Of the remaining 8 boats, one is stationed at Nileshwar fish farm. The following are the seven boats which remain to be disposed of in Public auction.

Sl.No.	Location.	Length	Girth.	Approximate cost of boats.	Remarks.
1.	Gangoli	25½'	10'-½"	Rs. 350/-	Serviceable.
2.	"	27½'	11'	" 120/-	(Requires repairs)
3.	"	27'	9'-½"	" 200/-	-do-
4.	Kodi fish farm	24½'	10'	below Rs. 500/-	Become old.
5.	Malpe	27'-8"	9'-7"	Rs. 100/-	-do-
6.	Mangalore	33'	12'	Rs. 250/-	-do-
7.	-do-	32'	11'	Rs. 100/-	(Requires repairs)

p.t.o

The question of utilising these in other divisions was also examined, but it is found un-economical to have the boats repaired at a huge cost and engaging these in fishing operations. Further they will have to be transferred at high cost. Moreover these dugout canoes cannot operate successfully in the East Coast. These boats were purchased prior to 1946 under G.O. Ms. No. 5073 ✓ PP 23 Development dated 28-11-44 and have become old after due service. In the circumstances I request that Government may be pleased to sanction the condemnation and disposal of the above seven boats in Public Auction after wide publicity.

For Addl. Director of Industries and Commerce, Madras.
